

City of Rockville

Application for Backdoor Collection Service for Refuse and Commingle/Mixed Paper Recycling

I am requesting the City of Rockville provide me with backdoor collection service during the pilot period, at no additional charge for my refuse cart, my mixed paper cart, and my commingle bin. I am unable to transport my carts and bin to the curb and there is no one in my household who is able to transport them to the curb for me.

I will place my refuse cart, my mixed paper cart, and my commingle bin each week at the following location: (backdoor, side of house, etc)

I understand it is necessary to reapply for this service each year. I also understand this program is based on the inability to take refuse and commingle/mixed paper to the curb.

If requesting **temporary** backdoor collection service, please indicate date curbside collection will resume:

Signature: _____

Date: _____

Address: _____

Zip Code: _____

Telephone Number: _____

Collection Day: _____

PLEASE RETURN THIS SIGNED FORM TO:

**City of Rockville
